Celebration Assembly Book

These are the children who were added to the Celebration book this week:

Year 6: Nancy - for challenging herself in Maths and developing new skills. What a star!

Year 5: Abi - for working hard on her writing and using her polishing skills to improve her sentences and make them even better.

Year 4: Joey - for writing a fantastic report on Skara Brae and using a range of fantastic sentence openers. Well done!

Year 3: Louie - for trying his best and working independently in English lessons - always challenges himself!

Year 2: Charlie - for super work on the possessive apostrophe.

Year 1: Amy - for working hard in Read Write Inc (RWI)

Reception: Lottie & Indianna - for participating so enthusiastically when practising our Nativity.

Congratulations to you all -well done.

Children in Need

Well done everyone - we raised a whopping £644!! That included money for the merchandise, cakes & non-uniform donations. Thank you SO much to all of you who baked & brought cakes in to sell. Miss Holness & Miss Smith (YR) really entered into the spirit, as you can see below!

Community Lunch

We are looking forward to the lunch tomorrow. Pictures next week!

Parking Reminder

Please can everybody be considerate when parking and not park next to the wall on the corner by the pub, as children are forced to walk in the road on a blind bend. Please pass this on to husbands/ grandparents/ nannies, or anyone who picks up from school. Also, please pass on to them about our 'unofficial' one way system (entering via Bridge Street & exiting via Clatford). If you notice any dangerous parking, please advise people politely, or inform the school office. Thank you for your cooperation.

Christmas Fayre - Sat 3rd

We will be holding a non-uniform day next **Wednesday (30th)** in exchange for items for the Tombola ie - sweets/ bottles/ home produce. Please can you lovely bakers bring cakes in on Friday (2nd). Also, if any of you are willing to lend us any tree lights, please reply through your Class Rep. Thank you.

This Week in School

Bikeability - because of our busy roads, we ensure that every child at Preshute has the chance to learn about road safety and how to ride a bike safely. Some of our Y6 pupils completed their 2 day training this week.

Welcome Assembly - to help Reception children settle and enjoy school life, we have set up a 'buddy system'. This means every Reception child is partnered up with a Year 6 child for the year, so that the younger children have an older child that they can talk to & go to when they need help. A buddy activity is planned each term so that the children can build a strong relationship with their buddy. An assembly was held to welcome the Reception children and parents to Preshute. This was also an opportunity for parents to get to know the school a little better, and to be introduced to their child's buddy. It was led by Year 6, who (very articulately) welcomed everyone and talked through all the exciting things that Reception children can look forward to during their time at Preshute.
