

What will happen to a bully?

Teachers will get involved and help to STOP the bullying. They will talk to your parents and the parents of the bully.

What should I do if I see someone else is being bullied?

- Tell an adult straight away.
- Don't try and get involved - you might end up getting hurt or you could end up in trouble yourself.
- Don't stay silent or the bullying will keep happening.

The Head, the Governors and the staff will work together to:

- Make our school a place where everyone can feel safe and happy. That means no bullying allowed.
- We will help everyone to get on with each other and we believe that everyone has the right to be who they are.

Child Friendly Anti-Bullying Policy

What is bullying?

Bullying is a behaviour that can hurt you on the inside or on the outside and is repeated over time. It hurts you on the outside by hitting you and hurting you physically. It hurts you on the inside by name calling or saying things that are not nice, knowing they will hurt your feelings. At Preshute, we believe that everyone should feel happy and safe at school, which is why we need to know if you think you or someone else is being bullied.

Bullying can be...

Indirect: Hurting people's feelings, leaving you out, giving nasty looks or saying nasty things about you.

Physical: Punching, kicking, spitting, hitting or pushing.

Verbal: Being teased or name calling, including using racist or homophobic words.

Cyber: Saying unkind things by text, email, chat rooms or online.

Who could I speak to about it?

Parents or carers

Teachers

Lunch time staff

A friend

If you are bullied:

- Ask them to STOP
- Ignore them.
- Walk away and find an adult.
