Parents' Evenings

Don't forget that next week we are holding our first parents' evenings of the year, on Tuesday 11th and Weds 12th. Please sign up for a slot on the list outside your child's class if you haven't already done so.

Please can I ask you to respect the time constraints - appointments are for 10 minutes to allow everyone to have a turn. If you find you need more time please arrange a follow up appointment.

Mrs Mundy (our Special Needs Co-Ordinator) will be catching up soon with those parents of children who used to work with Mr Rackham.

House Captains

I am pleased to tell you the following children in Year 6 have been appointed as House Captains and Vice Captains - Congratulations!:

Centaurs - Georgina (C) Edie (VC)
Dragons - Felix (C) Beth (VC)
Griffins - James (C) Lottie (VC)
Unicorns - George (C) Ava (VC)

Last TD Day Date

The last Teacher Training day has now been set and is Friday 7th July.

Snacks in School

Just a gentle reminder that we are a 'Healthy Eating' school and that snacks for break should NOT include crisps and chocolate please! Also we are 'nut free' for allergy reasons.

Football Cards

Please note that children are not allowed to bring football cards in to school with immediate effect, as some inevitably get lost, or swapped and we end up with distraught children.

Celebration Assembly Book

We hold 'Celebration Assemblies' every other week in school where we celebrate birthdays and special achievements/pieces of work/ act of kindness or good manners, which are proposed by the teachers. We have a very beautiful book in school (crafted by Mrs Connor) where pupil's names and their achievement are entered. The following children have been entered so far:

Year 6 - Eve, James; Year 5 - Tom;
Year 4 - Francesca; Year 3 - Scarlett, Ethan; Year 2 - Harriet; Year 1 - Laila, Noa & Luca; Reception - Serena, Finn. This will now become a regular feature in future newsletters, following these assemblies. Well done to all those in the Celebration book!

Outdoor Learning

This Thursday and Friday, Preshute is participating in 'Outdoor Classroom Day'. It is a global campaign to inspire learning and play outdoors. It encourages children to appreciate the outdoors, be healthy and 'learn by doing' to create memories. Classes will be spending time outside learning about light and shadows, forces and having a Stone Age experience as well as many other things! There will be an update on the website next week so we can keep you posted with what we got up to!

School Photos

The photographer will be coming in to take 'individual' photos of the children next Tuesday (11th). We will be taking photos of siblings in school too, but if you would like to bring in younger siblings, or have family photos taken, please come in to school from 8.30am and they will be taken on a 'first come, first served' basis.
