Treasurer's Report

The end of another successful year!

We raised a fantastic £11,921 (down from £14,398 the previous year). After expenses, we are left with a net fundraising figure of £7,160. To add to this will be the Gift Aid figure which is to be confirmed.

We were able to fund various projects in the school this year, including Christmas lunch at the College and transport for trips. The total given to the school via cheques was £5,227, with a further £677.50 paid directly to the school for events such as Popcorn Club and the Quiz.

We invested £500 in a marquee, which is already well on the way to paying for itself. But, we need to generate more rentals and to that end, Saleha has made a new Facebook page which would benefit from as many "shares" as possible! It is a great asset to us.

Key Fundraising Events (net)

Summer Fayre	£1,254
Christmas Fayre	£2,857
Popcorn Clubs (x3)	£ 773
Discos (x2)	£ 697
